I'm 18 years old and I've always wanted to be a police officer. But my father is a lawyer and he strongly suggests that I also become a lawyer. He says that being a police officer is dangerous and that the salary as a lawyer is much better. He says that I am free to choose any job that I want, but I know that he will be very unhappy if I become a police officer. What should I do?

SUSAN

I'm 50 years old and I have been a farmer for 32 years. I enjoy my job and the life that goes with it – I like getting up early and working hard and going to bed early. And I enjoy working outside and watching things grow.

My problem is that I want to be an artist or maybe an actor. Do you think I should sell the farm and try something new? Both my children are grown up now, but my wife might not be very happy about the change.
